۳ Do you eat enough vegetables?
 Now there is a new and easy way to make sure you are eating enough of all the right food. It's called My plate because it looks like a plate and cup. The plate has four colors: red for fruits, green for vegetables, orange for grains, and purple for proteins. The cup is blue, for dairy. The size of the color piece helps people quickly understand how much of each kind of food they should eat. For

G

example, the red and green pieces together fill half of the plate. Also, the orange piece is bigger than the purple piece, but together they fill the other half of the plate. Dairy is a cup, not a plate, because milk is one of the main sources of dairy.
