I. Reading (Four points)

Human body is a wonderful creation. God has given this amazing gift and we must keep it healthy and strong. Exercise can help us make our body work better. Daily exercise will make our body muscles flexible.

If you want to stand up, walk, and work, muscles and bones need to stay strong. That's why people tell you to exercise, because doing exercise make them strong. Some people like to do sports; other people enjoy running and swimming. These are great for your muscles and bones.

But not everyone thinks that these things are fun. Jogging around the house, walking and playing are exercise, too.

۱. Why do people tell us to exercise?

.....

۱. How can exercise help us?

.....

۲. What are the other ways of doing exercise?

.....

۳. Exercise helps your muscles to stronger.

- a) become b) think c) play d) swim
