**Read the following passage and answer the questions.**

Mr. Brown wanted to travel to one of the cities in England. They had told him that the train would leave at ۷:۲۰. As soon as the breakfast was over, he got the car out of the garage and drove towards the railway station. He was in a hurry because he thought he might miss the train. There was heavy traffic everywhere in the city and he was not able to drive fast. Finally, he got to the station a few minutes after ۷. Some of his friends were at the station waiting for him. He gave the car to one of them and asked him to take it home. He explained to them why he was a little late and without wasting time, he said goodbye to them and got into the train. It left the station just on time while Mr. Brown was happy that he didn't miss the train.

- |                                                                     |                                       |
|---------------------------------------------------------------------|---------------------------------------|
| ۵۳. Where did Mr. Brown want to go?                                 |                                       |
| ۵۴. Why couldn't he drive fast?                                     |                                       |
| ۵۵. Did the train leave before ۷:۲۰?                                |                                       |
