N: متن زیر را به دقت بخوانید و به سوالات به صورت خواسته شده پاسخ دهید.

For the first two years of her life, Helen Keller was like any other pretty, happy baby in every way. Then a sudden illness destroyed her sight and hearing. For the next seven years, she lived in a world of darkness, without sounds or voice. The person who entered Helen's life at this age and changed her world was Anne Sullivan. Miss Sullivan had accepted a job which seemed impossible. She had never been able to guide her in any way. But Ann Sullivan was a very special kind of teacher. She had been blind during part of her own childhood. But in later years she had been able to see again after several operations, but she had never forgotten the experience of being blind. That was why she understood Helen, loved her and could help her.

71- How old was Helen when she began to be taught?

72- Was Helen blind when she was born?

73- What destroyed Helen's sight and hearing?

74- Miss Sullivan couldn't guide Helen at all.

1) False 2) True

75- Anne Sullivan was Helen's teacher.

1) False 2) True

GOOD LUCK
